

Can you guess which price is finally going down?

Choose savings on toner for IBM® Infoprint® systems and get advanced quality, proven reliability and immediate availability. ...and did we mention our 100% guarantee?

Hunt Imaging continues its 90-year tradition of innovative product development with our new line of toners for IBM Infoprint Systems, designed to maximize productivity, minimize maintenance, and reduce cost per page.

Hunt Imaging is an ISO 9001:2002 certified manufacturer with plants in the United States and Europe. Our products are distributed worldwide by OEM's and as Hunt Imaging and privately labeled products.

Buying directly from the manufacturer saves you money. Our large inventories and distribution channels save you time. All our toner supplies perform in a manner which equals or exceeds the OEM's product performance.
